### INSTITUTION PROFILE

The college, one more feather in the crown of the Sengunthar Charitable Trust, has commenced its maiden voyage from the year 2007 with a crew to work for the upliftment of the rural students in the world arena. It is started with the ambition of providing high class and modern education to compete the developing hi-tech and quality based educational society. The college has been approved by AICTE, New Delhi and affiliated to Anna University, Chennai. The college is functioning in three storied buildings with spacious class rooms, well equipped Seminar Halls, Drawing Halls, Computer laboratories, well established state of the art engineering laboratories, Modern Language laboratory, Library, Placement and Training cell and other infrastructural facilities to train our students to be industry ready.

### THEME of CONFERENCE

The challenges of globalization thrust us to incorporate the advances in Engineering and Sciences in the area of Research and Development to make our nation globally competent. In particular, this conference provides a common platform for academicians, engineers and technologists to come together and discuss the progress made within the country and abroad as well as for sharing their innovative and creative research findings aimed to benefit and various aspects of engineering and technology. We hope that MEEMIC 2017 outcome will lead to significant contributions to the knowledge base in up to date scientific fields in scope.

### CALL FOR PAPERS

Original and unpublished papers are invited but not limited to the following areas:
